

AN INVITATION TO VIEW USHA STUD'S YEARLINGS 2010

. .. a nursery where champions are bred

Our 2010 crop of yearlings if I may venture to say so myself, is a VINTAGE CROP. The celebrated and hugely successful nick at Usha Stud of Northern Dancer with Mr Prospector and visa-versa has been utilized to the optimum this year. A third of our yearlings have been bred this way, so that we could offer our loyal customers a large band to select from, and give even a buyer of one or two yearlings an equal chance to compete in the Group Races.

2009 was a star-spangled year for Usha with the likes of champions such as Set Alight, Autonomy, Yana, Astral Flash, Sea Ruler all winning or placing in the Indian Classics and other Grade 1 races.

*2010 has started with the upcoming juvenile classic crop of 3 year olds, winning The Breeders Juvenile Fillies and Colts Championship, Grade 3 in a single day. with **MOONLIGHT ROMANCE** (China Visit x Wandering Star) and **MACCHUPICCHU** (Emerald Cat x Anaroma).*

*Usha Stud also won the BANGALORE OAKS, Group 2, with **SYSTEMATIC**(Steinbeck x Alvarada), and placed 2nd with **ASTRAL FLASH** and **SEA RULER** in the INDIAN 1000 AND 2000 GUINEAS Group 1.*

*RAZEEN the All Time Great Sire of Champions in India has included another first in the long list of Records, by siring the first Indian horse to win a FLAT race in England on May 11th 2010, with **SOUTHERN REGENT** (Razeen x Allinda) by 3/4 of a length on an all weather track over 7 furlongs.*
